Dear Claudia,

I hope you understand why I am writing to you – I suspect that you have been aware of my existence for some years, perhaps stretching back as far as 2008? I wanted to say Hello and ask how you are. I have included my photo so that you know who sent this letter. Don't worry – everything is OK.

I hope you are really well and enjoying life in the full. You are a unique talent and your quiriness (hope that's not an insult!!!) is fabulous. I have only occasionally come across you on TV as I have not been a great fan of things like Strictly Come Dancing or The Traitors, but I have seen you on Film 200X and also when you appear on programmes like Would I Lie to You? You are striking!

I wanted to give you my contact details and I would like it a lot if you would reply by email. My email address is stevekrupa@gmx.co.uk. You don't need to be frightened.

I hope this letter hasn't caused you any concern. I would really like to have a dialogue with you if you are willing.

I look forward to hearing from you soon

Warmest best wishes

Steve Krupa
