Dear Lucy,

I don't know if you know of me, but I wanted to say Hello and ask how you are. I have included my photo so that you know who sent this letter – if you recognise me. Don't worry – everything is OK.

I hope you are really well and enjoying life in the full. I wanted to say huge congratulations on winning the Euros, and getting through the whole tournament with a broken tibia. Surely that was agony? You always stand out a player who gives everything on the pitch, and you keep on proving what a fabulous talent you have.

I wanted to give you my contact details and I would like it a lot if you would reply by email. My email address is [stevekrupa@gmx.co.uk](mailto:stevekrupa@gmx.co.uk). You don't need to be frightened.

I hope you understand why I am writing.

I look forward to hearing from you soon

Warmest best wishes

Steve Krupa
