Dear Nigella,

I hope you understand why I am writing to you – I suspect that you have been aware of my existence for some years, perhaps stretching back as far as 2010? I wanted to say Hello and ask how you are. I have included my photo so that you know who sent this letter. Don't worry – everything is OK.

I hope you are really well and enjoying life in the full. I have always really enjoyed watching your TV programmes and your easy-going, relaxed style makes it a great pleasure to be a viewer. You are also personally extremely easy on the eye. A while ago you were in the newspapers for some difficult times in your personal life, and I hope very much that all those difficulties are in the past.

I wanted to give you my contact details and I would like it a lot if you would reply by email. My email address is stevekrupa@gmx.co.uk. You don't need to be frightened.

I hope this letter hasn't caused you any concern. I would really like to have a dialogue with you if you are willing.

I look forward to hearing from you soon

Warmest best wishes

Steve Krupa
